Subject: [jaynet-news] St. Albert’s Day Winners

Date: Thursday, April 23, 2015 9:32:44 AM Central Daylight Time

From: Plater, Taunya L.
To: 'jaynet-news@lists.creighton.edu'

To the Creighton Community:

This year at St. Albert’s Day we had 116 posters and 27 oral presentations representing 24 different departments and 17 department displays. Dr. David Sidebottom, Professor of Physics gave a wonderful talk about Scientific Method with over 100 attendees. Thank you to all who participated in this successful event. It was great to see all of the students, faculty and staff presenting, inquiring or just networking at this event!

All of the presentations were excellent and engaging which made the judging difficult, but the judging sheets have been tallied and the results are in! Congratulations to the winners of St. Albert’s Day/University Research Day!

BEST POSTER (Graduate)
Basic Sciences Category
Nicole Gardner

BEST POSTER (Undergraduate)
Basic Sciences Category
Ala’a Rayyan
Karen Sass
Anton Yanchilin
