This is one of a series of bibliographies that were begun in 2005:
1. Active learning and learning styles: a selected bibliography
2. Discipline based approaches to supporting learning and teaching: a selected bibliography
3. Linking research and teaching: a selected bibliography
4. Pedagogic research and development: a selected bibliography
5. The scholarship of teaching and learning: a selected bibliography
6. The scholarship of engagement: a selected bibliography
7. Dissertations and capstone projects: a selected bibliography
